

+ 2 screens  
Canvas stretched on  
wood frames - measurements  
to follow.

+ stand & suspension for  
slide proj.

Sweeney

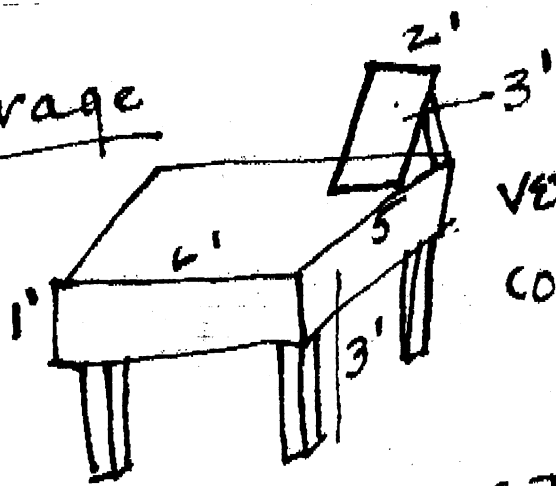

Rough play  
room

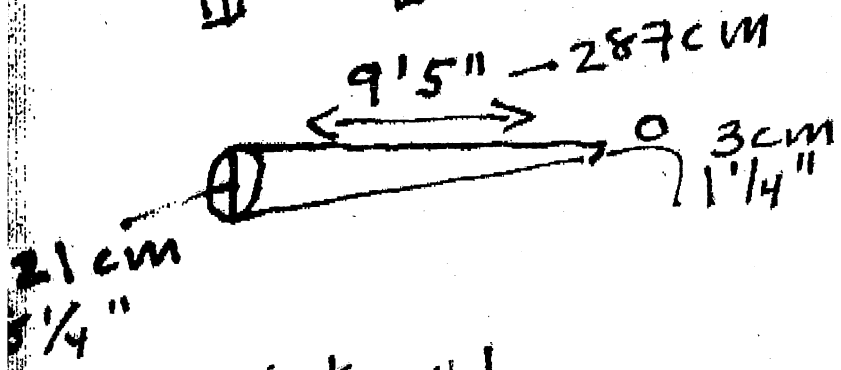

well rough  
developing form  
like two irregular  
boxes still in  
works

+ drawings  
rocks - fake  
haven't figure  
what material  
like stone wall

Mirage

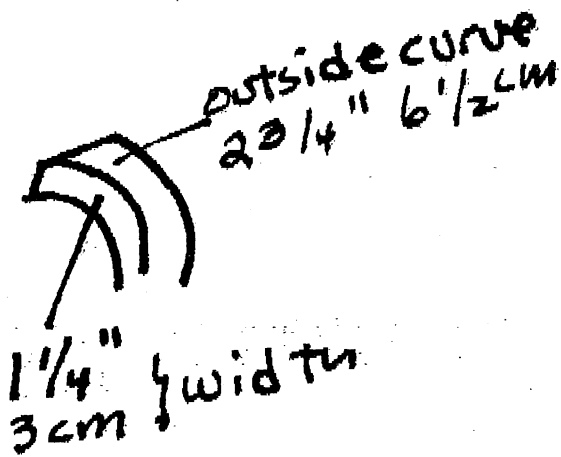

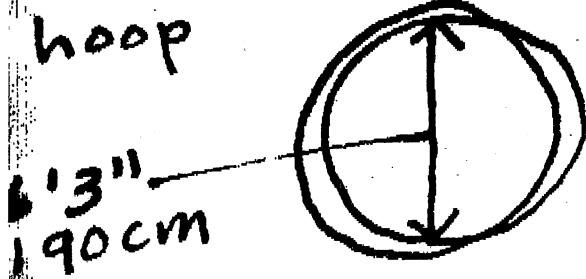

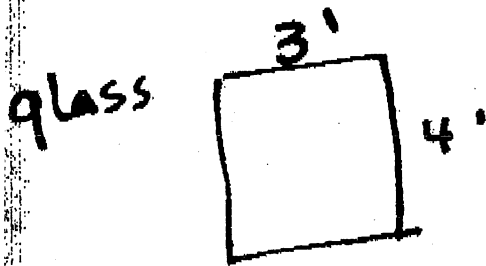

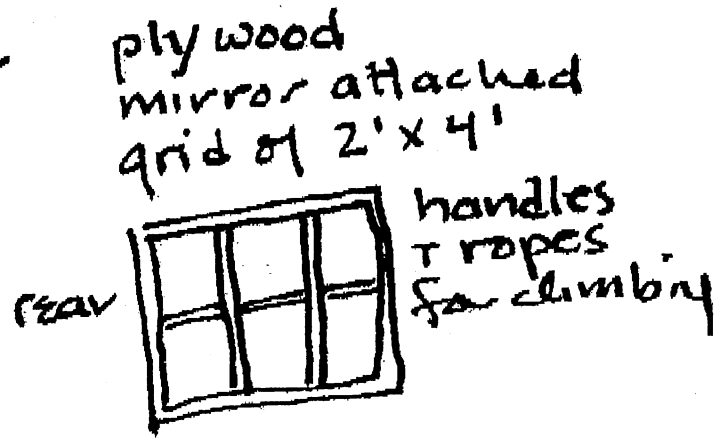

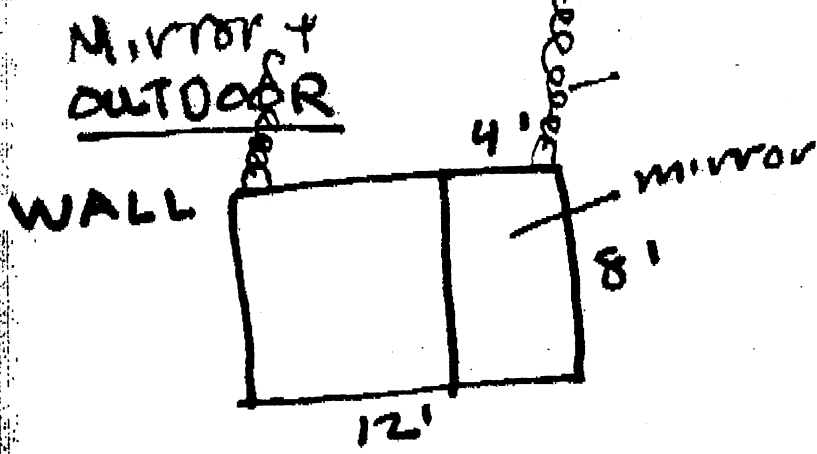

very simple  
construction

stick 4'

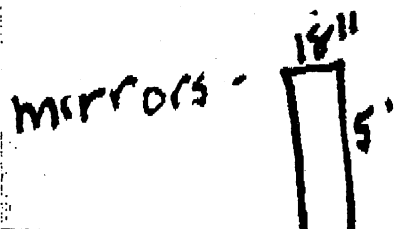

+ stand for mounts

sticks: 10' 305cm

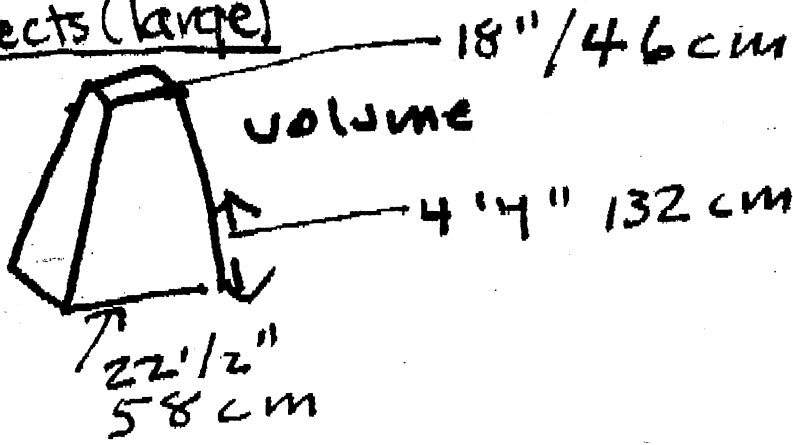

wood clappers 9" x 4 1/2" with handles

# Organic Honey

main objects (large)

Chair

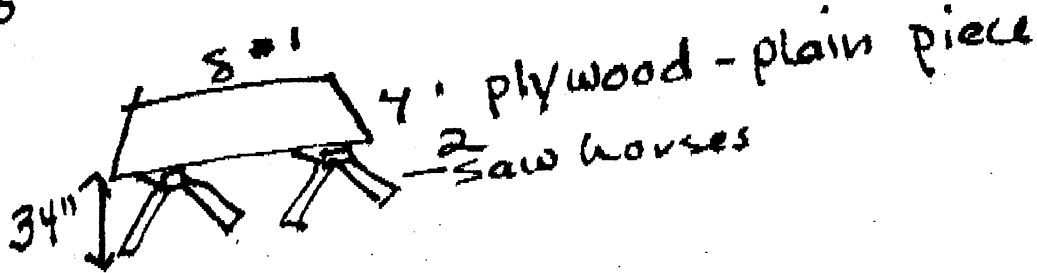

+ 2 or 3 stands for monitors

2 way mirror - buy here

20" x 5'

table

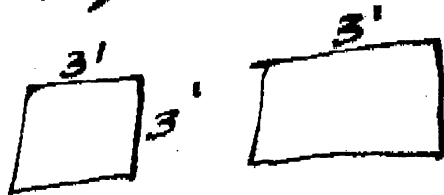

mirror

4' x 8' mounted on wheels  
 (as there should be one for juniper tree also if it is too much to have too many then we can skip such a big one here as I sometimes used a smaller one for organic honey)

Blackboards - there should be several different sizes in this room + one in

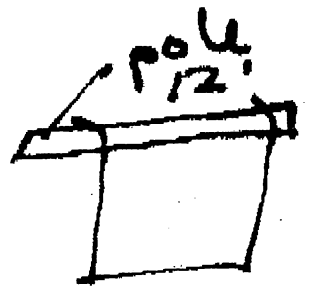

Mirape

better if I look at space

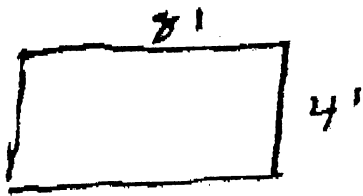

Paper wall + pole

photo backdrop paper

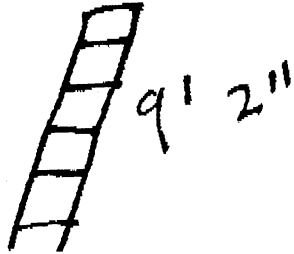

# Juniper Tree

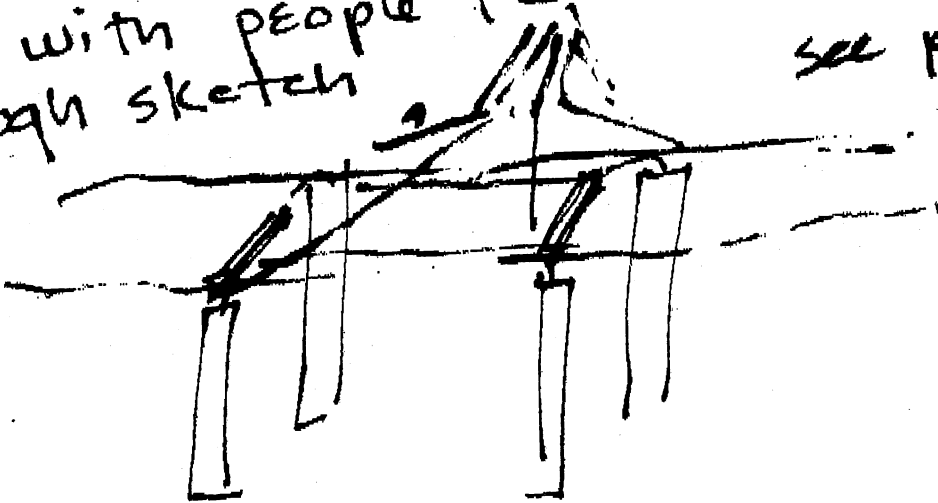

1 mirror mounted

2 ladder(s)

2 wood + rope sets  
to be figured out  
but a matter of making  
it with people there  
rough sketch

see pg 83 in Cat.
